## About 8(a) STARS II

A Multiple Award (MA), Indefinite-Delivery, Indefinite-Quantity (IDIQ) contract providing federal government agencies with cost-efficient, cutting-edge information technology services provided by GSA approved and Small Business Administration (SBA) certified 8(a) prime contractors. STARS II enables you to access services through an established contract vehicle of prequalified vendors saving precious time and valuable taxpayer dollars. As an 8(a) SDB/EDWOSB, Quantum also enables agencies to achieve multiple socio-economic goals, while effectively meeting their information technology needs.

## Scope

The 8(a) STARS II Government Wide Acquisition Contract (GWAC) is built on four functional areas based on NAICS 541511, 541512, 541513, and 541519. Under 8(a) STARS II, Quantum offers a variety of services such as software development, computer programming, system architecture & design, integration & migration service, data processing, help desk support, information technology training, information assurance, cyber-security and more.
